STATIC-H Dust Mop Head

The STATIC-H Dust Mop with keyhole backing is made with hard-wearing nylon fibers. It uses electrostatic properties to attract and hold dust particles. The tight twist yarn offers more fiber per inch, which helps hold more fine dust particles. This mop can withstand heavy use and repeated commercial laundering with virtually no fraying, tangling, unraveling and linting. It can also be cleaned in running water. It also has the ability to remove dust without the need for dust mop treatments. The sturdy polyester keyhole backing with reinforced stitching makes it a durable and versatile choice for institutional and commercial building maintenance. The STATIC-H dust mop can be installed on a Clipper or a Snapper dust mop frame.

Item: DM-STH524-BL 24" Static-H Blue Dust Mop Head.
Pack: 12 each Case Weight: 10.5 lbs.
UPC: 665539105246

Microfiber Dust Mop Head

Microfiber Pads Fringe Dry Dust Mop have all the benefits of microfiber without having to replace standard frames and handles. This cut-end microfiber with fringe picks up larger particles of dust and trash. Poly/canvas backed microfiber mops attract and hold dust that cotton mops leave behind. Canvas backing is color coded by size: yellow-18", green-24", red-36". The mop attracts dust electrostatically and requires no treatment. Envelope style backing eliminates problems created by ties or snaps while still using traditional 5" dust mop frames. Extra padding in the mop allows for complete surface contact; gathers more dust than cotton mops.

Item: LFCB18 18" Blue and Grey with Yellow Canvas Back.
Pack: 12 each Case Weight: 4.25 lbs.

Microfiber Pads Fringe Dry Dust Mop have all the benefits of microfiber without having to replace standard frames and handles. This cut-end microfiber with fringe picks up larger particles of dust and trash. Poly/canvas backed microfiber mops attract and hold dust that cotton mops leave behind. Canvas backing is color coded by size: yellow-18", green-24". The mop attracts dust electrostatically and requires no treatment. Envelope style backing eliminates problems created by ties or snaps while still using traditional 5" dust mop frames. Extra padding in the mop allows for complete surface contact.

Item: LFCB18 18" Grey and Yellow Canvas Back Microfiber Dust Mop.

Pack: 12 each Case Weight: 4 lbs.

UPC: 729661118670

Item: LFCB24 24" Grey and Green Canvas Back Microfiber Dust Mop.

Microfiber Flat Wet Mop Head is perfect for general purpose jobs, these looped wet mops are highly versatile. They are low abrasive wet pads are perfect for smooth surfaces. No foam inner layer, only additional layers of microfiber for greater absorbency. This pad is excellent for launderability.

Item: LF0011 18" Blue Flat Wet Mop Pad.

Pack: 12 each Case Weight: 2 lbs.

UPC: 729661118342

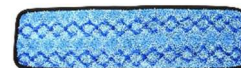

Microfiber

Antimicrobial Microfiber Flat Wet Mop Pad is an improved cleaning performance that features multidirectional scrubbing and capabilities that effectively remove dirt, grime, and stains from floors and surfaces, providing superior cleaning performance and leaving surfaces spotless and streak-free. The microfiber inner liner of the pad provides improved enhanced absorbency, allowing it to hold more liquid and clean more efficiently than foam-lined pads. This helps to reduce the number of passes required to clean a surface, saving you time and effort. The color-coded tabs on the pad help prevent cross-contamination by making it easy to assign specific pads for different areas, reducing the risk of spreading bacteria and other contaminants. The antimicrobial properties of the pad prevent the growth and spread of bacteria, ensuring that your cleaning tools stay clean and hygienic. Excellent launderability. Available various colors and sizes.

Item: T0030-00 18" Antimicrobial Microfiber Flat Wet Mop Pad, Black/ Blue.
Pack: 12 each Case Weight: 2.71 lbs.
UPC: 729661303119

Clear Choice urinal deodorizer is 10% larger than leading competitors, it shrinks gradually as fragrance is released to freshen the air that delivers enhanced coverage. It releases fragrance gradually over 30 days, providing 10X more fragrance than any vinyl urinal screen. The revolutionary design minimizes splash back while optimizes fragrance release for an improved restroom experience while cutting cleaning time in half. This urinal deodorizer releases optimized bacteria, ensuring thorough urinal cleaning and effective odor elimination. Free from ozone-depleting ingredients, and with only 1/10th the VOCs of most aerosols. They are 100% recyclable. They are designed to fit all urinal shapes and sizes and sturdy enough to provide effective drain and trap protection, they are also flexible for a perfect fit. Clear Choice is ideal for any environment from single stall office washrooms to high traffic restrooms in venues such as hospitals, stadiums, arenas, and restaurants.

Item: TL220308 Clear Choice Deodorizing Urinal Screens.
Fragrance: Orange/ Mango.
Pack: 72 each Case Weight: 12 lbs.

UPC: N/A

Item: EN51000 White Deluxe Lid for 3 1/2 and 5 Gallon Plastic Pail.
Pack: 6 each Case Weight: 5 lbs.
UPC: N/A

Paint Pails

This 5 Gallon Metal Bucket offer additional strength and durability. This bucket is a great outdoor or household multipurpose accessory that can handle a large range of applications. To prevent leakage and adding extraordinary resistance our metal buckets have curling on the top edge that prevents deformation during handling and securing a more reliable closing process. It is ideal for the construction and distribution facilities. The unit can be utilized to transfer goods from workstations to workstations. This metal bucket is also durable for demanding shipping and storage. Its unique construction is used in hot and cold needs. The lid is plain and snaps on to metal bucket.

Item: EN3055 5 Gallon Grey Metal Bucket with Lid.
Pack: 6 each Case Weight: 22 lbs.
UPC: N/A

Item: EN3600 5 Gallon Grey Metal Bucket.
Pack: 6 each Case Weight: 15 lbs.
UPC: N/A

Power Mixers

The Super Mixer is chrome-plated steel and is used with an electric drill and has ideal speeds of 500- 900 RPM. It is used for mixing all types of paints, compounds and adhesives. The 2 3/8" is used for mixing in 1 to 5 gallons, 3 1/4" is used for mixing in 5 to 10 gallons and the 4" is used for mixing in 5 to 20 gallons. It is easy to clean. Fits all 3/8" and 1/2" drill chucks. The 4" only fits 1/2" drill chucks.

Item: KG000601 2 3/8" Power Mixer, Shaft 17".
Pack: 6 each Case Weight: 3.53 lbs.
UPC: 064784006016

Item: KG000602 3 1/4" Power Mixer, Shaft 17".
Pack: 6 each Case Weight: 4 lbs.
UPC: 064784006023

Item: KG000603 4" Power Mixer, Shaft 23 1/2".
Pack: 6 each Case Weight: 8.18 lbs.
UPC: 064784006047

The Twin Blade Compound Mixer is chrome-plated steel and is used with an electric drill. It mixes all types of paint, compounds, and adhesives. The 8" blade with 30" shaft is great for mixing 5 to 20 gallons. Fits all 1/2" drill chucks.

Item: DYN343 8" Power Mud Mixer, Shaft 30".
Pack: 6 each Case Weight: 24 lbs.
UPC: 064784003435

Sanding Sponges

The Sanding Sponge is excellent for light sanding between coats of clear wood finishes. It is also excellent for sanding wood, drywall, paint, spackling, mud, fillers and hole repairs. Soft sponge material makes it ideal for angled, contoured and flat surfaces. Use either wet or dry and when finished, rinse and reuse. Four sides for longer wear and greater accuracy. The AG562601 is Aluminum Oxide grit, Fine is 100 grit and Medium is 60 grit. The AG582602 is Aluminum Oxide grit, Medium is 60 grit and Course is 36 grit. They both come carded for easy display.

Item: AG562601 Fine/Medium Sanding Sponge.
Pack: 12 each Case Weight: 1.13 lbs.
UPC: 064784121801

Item: AG582602 Medium/Coarse Sanding Sponge.
Pack: 12 each Case Weight: 1.07 lbs.
UPC: 064784121818

Sanding Sponges

The Dual Angle Sanding Sponge is excellent for light sanding between coats of clear wood finishes. It is also excellent for sanding wood, drywall, paint, spackling, mud, fillers and hole repairs. Soft sponge material makes it ideal for angled, contoured and flat surfaces. Use either wet or dry and when finished, rinse and reuse. Four sides for longer wear and greater accuracy. The angled side allows you to reach difficult areas. Perfect for drywall applications where inside corner meets the ceiling. The AG662603 is Aluminum Oxide grit, Fine is 100 grit and Medium is 60 grit. It comes carded for easy display.

Item: AG662603 Fine/Medium Dual Angle Sanding Sponge.
Pack: 24 each Case Weight: 2.45 lbs.
UPC: 064784121825

The Extra Long Sanding Sponge is excellent for light sanding between coats of clear wood finishes. It is also excellent for sanding wood, drywall, paint, spackling, mud, fillers and hole repairs. Extra-long measures 9" x 3.25" x 1" it covers more area in less time with large sanding surface. Soft sponge material makes it ideal for angled, contoured and flat surfaces. Use either wet or dry and when finished, rinse and reuse. Four sides for longer wear and greater accuracy. It is great for large angles and flat surfaces. The AG692622 is Aluminum Oxide grit, Fine is 100 grit and Medium is 60 grit. It comes carded for easy display.

Item: AG692622 Fine/Medium Extra Long Sanding Sponge.
Pack: 12 each Case Weight: 2.25 lbs.
UPC: 064784926222

Sanding Tools

The Heavy-Duty Drywall Plastic Pole Sander is ideal to be used for sanding ceilings and walls with both feet on the floor. It makes tough sanding jobs easier. Sands joint compound and other imperfection on large and flat surfaces. Constructed of solid structural foam with acme threaded pole socket for use with an extension pole. Features stainless steel clips that work easier, faster, and keep the strength longer than wing nuts for holding sandpaper. The patented, integral molded pad goes over all sides and acts like a bumper to protect walls from being marred by the tool; won't easily peel off or come loose. Compatible with drywall sanding sheets/ screens or 1/2 of standard sheet.

Item: MPUPS Plastic Pole Sander Head Only.
Pack: 12 each Case Weight: 7.68 lbs.
UPC: 037064130107

The Soft-Grip Heavy-Duty Plastic Hand Sander is constructed of solid structural foam with a contoured, soft-grip handle. Features stainless steel clips that work easier, faster, and keep the strength longer than wing nuts for holding sandpaper. The patented, integral molded pad goes over all sides and acts like a bumper to protect walls from being marred by the tool. Compatible with drywall sanding sheets/ screens or 1/2 of standard sheet.

Item: MPUHS Plastic Hand Sander.
Pack: 12 each Case Weight: 10.08 lbs.
UPC: 037064130206

The Rubber Sanding Block is quality tool that achieves the best, fastest sanding work in large areas. This 100% pure solid rubber block is designed to fit comfortably in one's hand. The block holds sandpaper securely and keeps sandpaper flat against metal, drywall, wood, plastic, fiberglass and other surfaces. This sanding block can be used on both wet or dry surfaces, indoors and outdoors. Best used for all fine finishing work. Compatible with 2 3/4 x 9" sandpaper or 1/4 of standard sheet.

Item: PB2589 Rubber Sanding Block.
Pack: 6 each Case Weight: 2.37 lbs.
UPC: 07667092589

Drywall Strong Patch

The Metal patch is overlayed with self-adhesive mesh tape and high quality. It has permanent repair on walls and ceilings with easy to use with professional results. It contains 1 patch per pack and can be trimmed to size. It comes in various sizes including 4" x 4", 6" x 6", and 8" x 8".

Item: LF044001 4" x 4" Drywall Strong Patch.
Pack: 12 each Case Weight: 1.2 lbs.
UPC: 064784001363

Item: LF055001 6" x 6" Drywall Strong Patch.
Pack: 12 each Case Weight: 2.4 lbs.
UPC: 064784001370

Item: LF081004 8" x 8" Drywall Strong Patch.
Pack: 12 each Case Weight: 4.8 lbs.
UPC: 064784001387

Drywall Tape

The White Self-Adhesive Mesh Drywall Tape is self-adhesive fiberglass mesh is thin and light, but extremely strong and easy to use. This greatly increases joint strength and durability for less cracking. Works great for repairs and butt-end joints. The fiberglass mesh construction prevents blistering and bubbling plus adds strength to the surrounding structure providing a smooth professional finish. Mold resistant unlike paper tape. The self-adhesive design eliminates pre-bedding coat and reduces drying time. It comes in 2" with 300'.

Item: MP00735 2" x 300' White Fiberglass Tape.
Pack: 24 each Case Weight: 13.86 lbs.
UPC: 65227000359

Masking Tape

The General-Purpose Green Masking Tape features super-smooth paper and high tack adhesion for up to 7 days clean removal. Solvent-free strong adhesion makes these tapes useful for labeling, bundling and quick painting projects.

It comes in 60 yards with various sizes including 1", 1 1/2", 2", and 3".

Item: TPMASKGRN-3 2.83" x 60 yard Green Masking.
Pack: 16 each Case Weight: 13.93 lbs.
UPC: 743854015713

Blue Painter's Tape is the best interior tape for professionals and DIYers looking for clean edges and excellent results. Our medium tack SmartSKIN technology combined with thin crepe paper, prevents paint bleeding and leaves behind no residue for up to 14 days. The solvent-free adhesive is excellent for use on multiple surfaces, including lacquered or varnished woodwork, glass, plastic, metal doorknobs, window frames and more. It comes in 60 yards with various sizes including 1", 1 1/2", and 2".

Item: TPBDTTAPE-1 .94" x 60 yard Blue Painter's 14 Day.
Pack: 36 each Case Weight: 10.8 lbs.
UPC: 743854011418

Item: TPBDTTAPE-1.5 1.41" x 60 yard Blue Painter's 14 Day.
Pack: 24 each Case Weight: 11.12 lbs.
UPC: 743854011425

Item: TPBDTTAPE-2 1.88" x 60 yard Blue Painter's 14 Day.
Pack: 24 each Case Weight: 14.74 lbs.
UPC: 743854011432

Masking Tape

The General-Purpose Masking Tape is versatile, lightweight, and has a clean removal from most surfaces. It is easy to write on for labeling and easy to tear for multipurpose use. This premium masking tape is a general-purpose tape that best protects areas from painting, soldering, blasting, spraying, coating, plating, and polishing. The solvent-free adhesive is excellent for projects, painting, labeling, bundling, and crafts. Most commonly requested by painters, designers, carpenters, and homeowners. It comes in 60 yards with various sizes including 1", 1 1/2", and 2".

UPC: 743854011487

Item: TPMASKG-1.5 1.41" x 60 yard General Purpose Masking Tape.
Pack: 32 each Case Weight: 13.74 lbs.
UPC: 743854011494

Item: TPMASKG-2 1.88" x 60 yard General Purpose Masking Tape.
Pack: 24 each Case Weight: 13.71 lbs.
UPC: 743854011500

Duct Sealing Tape

The Blue Dolphin Duct Tape series was designed with the user in mind. The Super Strong General Grade combines durability and the highest level of adhesion. Our new and improved four-layer backing is strong and easy to tear, making each useful and multifunctional for various interior and exterior purposes. These come in 10.9 and 60 yard rolls.

Item: TPDUCT10.9 1.88" x 10.9 yard Silver Duct Sealing Tape.
Pack: 24 each Case Weight: 22.56 lbs.
UPC: 743854015867

Item: TPDUCTGEN 1.88" x 60 yard Silver Duct Sealing Tape.
Pack: 24 each Case Weight: 28.08 lbs.
UPC: 743854011623

Barracuda Duct Tapes feature our new cutting-edge technology that utilizes an advanced engineering process. Composed of a stronger heat-bonded 4-layer construction, this technology yields a superior and tougher tape that tears remarkably easy, while remaining flexible, weatherproof and won't delaminate over time. Designed with an advanced 4-ply SmartSkin backing, the adhesion is superior and longer lasting when compared to other traditional duct tapes. The General Purpose is 5.5 mil thickness with silver/blue backing. It is excellent for wide range of repairs. The Professional is 8 mil thickness with silver/black backing. It has added strength for extensive uses. These come in 54.6 and 60 yard rolls.

Item: TPDUCTBARABLU 1.88" x 54.6 yard Barracuda Duct Tape, General.
Pack: 24 each Case Weight: 16.09 lbs.
UPC: 743854014808

Electrical Tape

The Black Electrical Tape is for long-lasting performance in tough environments, our vinyl electrical tape is resistant to high voltage, hot/cold temperatures, and flame. It is very conformable and is water resistant. The temperature use can range -7°C to 80°C (19°F to 175°F). Applications include PVC pipe, temporary surface repair, color coding, safety, and wire harnessing. Size: 3/4".

Item: ET60FR .75" x 20 yard Black Electrical Tape.
Pack: 10 each Case Weight: 1.44 lbs.
Pack: 200 each per case Case Weight: 28.80 lbs.
UPC: 075877300003

Teflon Tape

The Teflon Tape are for professionals and non-professionals alike, our thread seal tape provides a high-grade tool built for a lifetime. Quick and easy application that is flexible, durable, non-toxic, and not reactive to chemicals. This material forms a tight long-lasting seal that is commonly used with water, air, gases, and piping systems servicing most acids. It can be used on plastic, brass, copper, aluminum, galvanized-steel and black iron piping (not included). Not for use with lines carrying oxygen.

Item: HB606980 ½" x 520' White Teflon Tape.
Pack: 10 each
Pack: 200 each per case
UPC: N/A

Case Weight: .2 lbs.
Case Weight: 4 lbs.

Clear Packaging Tape

The Crystal-Clear Carton Sealing Tape is coated with high-grade acrylic adhesive designed for box sealing and packaging applications. Exhibits a controlled whisper-quiet unwind. The adhesive system provides reliable all-temperature box seal performance. Clear tape will not yellow. 2.6 mil Thickness. These are packaged 6 rolls per pack.

Item: 058085 1.88" x 110 yard, 2.6 mil, Packaging Tape.
Pack: 36 each
UPC: N/A

Case Weight: 24 lbs.

Shrink Wrap

The 80 Gauge Shrink Wrap has excellent load retaining force for firmly securing product even under rugged transit conditions. Our hand stretch wrap works on all types of loads and can easily handle difficult loads that are not uniform with the pallet. Cast stretch wrap are created for quiet application excellent puncture resistance and exceptional cling. Hand wraps loads fast with little effort with smooth easy release.

Item: WPECO01 18" x 1500' 80 Gauge Clear Shrink Wrap.
Pack: 4 each
UPC: N/A

Case Weight: 34.50 lbs.

Caulking Gun

The Smooth Stop Drip Caulk Gun has a sturdy cradle frame makes it easy to load. Built in nozzle cutter and seal punch. Stop drip action reducing drips and wastage. Ladder hook. Steel, powder coated frame provides added strength and durability. A thrust ratio of 5:1. This tool is perfect for any project. It comes in standard size.

Item: AJ200114 Smooth Caulk Gun, Stop Drip, Fits Standard Cartridge.
Pack: 12 each
UPC: 064784201145

Case Weight: 12.6 lbs.

The Economy Ratchet Style Caulking Gun is a heavy gauge steel pressure rod has teeth to hold the rod in place after each pull of the trigger for minimizing drips with built-in spout cutter and handy nozzle clean-out tool thrust. A thrust ratio of 7:1. This tool is perfect for any project. It comes in standard and quart size. PB6002 comes with a carrying strap.

Item: PB6001 Ratchet Caulk Gun, Fits Standard Cartridge.
Pack: 24 each
UPC: 077089600100

Case Weight: 21.6 lbs.

Item: PB6002 Ratchet Caulk Gun, Fits Quart Cartridge.
Pack: 6 each
UPC: 077089600209

Case Weight: 12 lbs.

Caulking Gun

The Economy Smooth Hex Rod Caulking Gun is a heavy gauge steel smooth rod with a skeleton frame. Smooth hex rod design offers maximum thrust with minimal effort. with built-in spout cutter and handy nozzle clean-out tool thrust. A thrust ratio of 6:1. This tool is perfect for any project. It comes in standard size.

Item: PB6003 Smooth Skeleton Caulk Gun, Fits Standard Cartridge.
Pack: 24 each Case Weight: 19.92 lbs.
UPC: 077089600308

The Economy Smooth Hex Rod Caulking Gun is a heavy-duty construction gauge steel smooth rod with a skeleton frame. Smooth hex rod design offers maximum thrust with minimal effort. with built-in spout cutter, handy nozzle clean-out tool thrust, ladder hook and rotating barrel. Ideal for contractors. A thrust ratio of 12:1. This tool is perfect for any project. It comes quart size.

Item: PB6004 Smooth Skeleton Caulk Gun, Fits Quart Cartridge.
Pack: 6 each Case Weight: 11.62 lbs.
UPC: 077089600407

The Dripless CH200 Cradle Hex Rod Caulk Gun is a contractor-grade, professional quality designed for daily use. It is suitable for most caulks and sealants. This is our best-selling cradle style metal caulk gun. The cradle allows the user to securely nestle the gun in their hand. The rod does not rotate so it's always in the right position to start working. Recommended for latex, vinyl, acrylic, siliconized acrylic and silicone sealants and caulks. Has a smooth hex rod with cradle; ladder hook, seal punch, and cutter. It comes in standard size.

Item: PBCH200 Yellow, Smooth Hex Rod Caulking Gun, Dripless.
Pack: 12 each Case Weight: 17 lbs.
UPC: 764509012000

The Dripless SH200 Hex Rod Skeleton Caulk Gun is a contractor-grade, professional quality designed for daily use. It is suitable for most caulks and sealants. Compact design. This is our best-selling metal caulk gun: the skeleton frame tool. Contractors like it because it's compact and fits in the toolbox with room to spare. The rod does not rotate so it's always in the right position to start working. The front cap ring can be cut away for hassle-free tube loading. Recommended for silicone, latex, acrylic caulks. Caulk Gun features a ladder hook, seal punch, and cutter. A thrust ratio of 10:1. It comes standard size.

Item: PBSH200 Yellow, Smooth Skeleton Hex Rod Caulking Gun, Dripless.
Pack: 12 each Case Weight: 16 lbs.
UPC: 764509012109

Silicone Sealants

The Boss 815 RTV 100% Silicone Rubber adhesive/sealant is a paste-like, one component acetoxysilicone adhesive/sealant that cures to a tough, rubbery solid when exposed to moisture in the air. Since it will not flow of its own weight, this sealant can be applied overhead or on sidewall joints and surfaces without sagging, slumping, or running off. It will adhere to clean metal, glass, most types of wood, silicone resins, vulcanized silicone rubber, ceramic, natural and synthetic fiber, as well as painted and many plastic surfaces. Boss 315 has excellent resistance to weathering, vibration, moisture, ozone and extreme temperatures.

Item: BS31530 Clear RTV Silicone Adhesive Sealant, 3 fl. oz.
Pack: 72 each Case Weight: 11 lbs.
UPC: 787930315304

The Boss 310 RTV Industrial Silicone Sealant is a one-part acetoxysilicone cure adhesive sealant that is suitable for general industrial sealing and adhesive applications. This product will adhere to clean metal, glass, many types of wood, silicone resins, vulcanized silicone rubber, ceramics and plastic surfaces. A primer may be required for optimum adhesion to some surfaces. It has good resistance to weathering, vibration, moisture, ozone, and extreme temperatures. It may be applied in sub-zero weather without loss of extrusion or physical property characteristics. This silicone product was formulated to perform at temperatures ranging from -40°F to 400°F.

Item: BS31002 100% Black RTV Silicone Sealant, 10.1 fl. oz.
Pack: 12 each Case Weight: 10 lbs.
UPC: 787930310026

Silicone Sealants

The Boss 326 Hi-Temp Red Silicone Sealant is a one-part, non-slumping paste that cures to a tough, rubbery solid at room temperature on exposure to water vapor in the air. This silicone product was formulated to perform at temperatures ranging from -40°F to 500°F. It can be used for numerous sealing and bonding applications.

Item: BS32610 Hi-Temp Red Silicone Sealant, 10.1 fl. oz.
Pack: 12 each Case Weight: 10 lbs.
UPC: 787930326102

The Boss 387 Universal Silicone is a one part moisture curing silicone sealant suitable for use in a broad range of applications. It is easy to apply and offers excellent adhesion to a variety of nonporous substrates such as glass, glazed ceramic tiles and aluminum. This silicone product was formulated to perform at temperatures ranging from -60°F to 400°F. The wide temperature gunnability can be applied in any season.

Item: BS38700 Clear RTV Silicone, 10.1 fl. oz.
Pack: 12 each Case Weight: 10 lbs.
UPC: 787930387004

Item: BS38701 White RTV Silicone, 10.1 fl. oz.
Pack: 12 each Case Weight: 10 lbs.
UPC: 787930387011

Item: BS38703 Aluminum RTV Silicone, 10.1 fl. oz.
Pack: 12 each Case Weight: 10 lbs.
UPC: 787930387035

Fire Stop Caulk

The Boss 814 Intumescent Latex Firestop Sealant is UL Classified. It is a one part, elastomeric, intumescent firestop sealant that expands when exposed to fire or extreme heat, forming and insulated char. Boss 814 will prevent the spread of toxic gases, smoke and fire. It is suitable for adhesion to almost any surface and remains flexible, making it ideal for both horizontal and vertical joints, subject to vibration or dynamic movement. Boss 814 can be used for interior or exterior applications, and can be painted (after inspection). The product is very easy to apply using a standard caulking gun or trowel and cleans up with water, prior to curing.

Item: BS81410 Red Intumescent Latex Firestop Sealant, 10.1 fl. oz.
Pack: 12 each Case Weight: 12.36 lbs.
UPC: 787430814104

Item: BS81429 Red Intumescent Latex Firestop Sealant, 29 fl. oz.
Pack: 12 each Case Weight: 35.16 lbs.
UPC: 787930814296

Construction Sealants and Caulk

The Boss 360 Siliconized Latex Caulk is a mildew resistant, paintable, air seal and weatherization sealant formulated to provide long lasting, flexible, weatherproof seals between most common building materials including wood, masonry, concrete, brick, drywall, metal and glass. Its smooth, creamy consistency makes Boss 360 easy to tool, and cures to a tough flexible seal. Boss 360 can be used for both interior and exterior applications.

Item: BS36001 35 Year White Acrylic Latex, 10.1 fl. oz.
Pack: 12 each Case Weight: 14.88 lbs.
UPC: 787930360014

Construction Sealants and Caulk

The Boss 363 Sealant Acrylic Latex Caulk with Silicone is mildew resistant and designed for both interior and exterior use. It forms a tough, flexible resilient bond to all building material surfaces. It can be used to seal around windows, door frames, baseboards, trim, corner joints, siding meets trim, anywhere a weather tight seal is desired. It has excellent resistance to water, weathering and moisture vapor. Boss 363 cures to produce a flexible seal that is non-yellowing. The Boss 363 has a 50 year durability.

Item: BS36301 50 Year White Acrylic Latex Caulk with Silicone, 10.1 fl. oz.
Pack: 12 each Case Weight: 14.04 lbs.
UPC: 787930363015

The Boss 333 Triple Expanding Foam is ready-to-use, multi-purpose, polyurethane foam that expands to three times its original volume on contact with air. The expanding action fills holes, cracks, and gaps more completely than standard caulks. Boss 333 has excellent insulating properties and superb adhesion to virtually all building materials. This product is UL Classified.

Item: BS33316 Triple Expanding Foam, 12 fl. oz.
Pack: 12 each Case Weight: 12.12 lbs.
UPC: 787930333162

Bucket Grids

The Bucket Grid is great for multiple painting projects. The 1 and 5 gallon grid fits in a paint bucket to allow painting straight from the can. It is four sided professional quality. It easy clean up and can be reusable for multiple painting projects. The grid resists rust and solvents.

Item: RM150 1 Gallon Metal Grid.
Pack: 24 each Case Weight: 6.9 lbs.
UPC: 077089015089

Item: RM416N 5 Gallon Metal Grid.
Pack: 12 each Case Weight: 5.65 lbs.
UPC: 077089416121

Twine

The Nylon Twine is a general-purpose twine featuring excellent resistance to wear and tear and offers high tensile strength. Specially treated to knot easy and securely, it is more durable than natural fiber twines. Ideal for both indoor and outdoor applications and commonly used for crafting, camping, boating, surveying, mason line, chalk line, plumb line, fishing, hunting, survival, and marine industry.

Item: N181 1090' Roll of #18 Nylon Twine.
Pack: 12 each Case Weight: 12 lbs.
UPC: N/A

Spray Sock

Spray Socks provide comfortable head and neck protection against overspray on the job. The stretch-to-fit 100% cotton hoods are breathable, washable and cool to wear. The stretch knit material protects hair and facial hair while covering head, neck, mouth and/or nose and can be worn with goggles and respirators when harmful airborne particles are present. One Size fits most.

Item: MP02165 Spray Sock.
Pack: 12 each Case Weight: 1.13 lbs.
UPC: 047034093011

Disposable Coveralls

The Disposable Paper Coveralls with Hood protect your clothes from dirt and soil. Best used for professional and do-it-yourself jobs. These are lightweight and comfortable with elasticized head, ankles, and wrists for improved fit. Great for painting, gardening, farming, repairs, etc. Available in multiple sizes M, L, XL, and XXL.

Item: AH02200M Medium Disposable Coveralls.

Tack Cloth

The Tack Cloth is compatible with all stains and paints. It picks up all dust, dirt, and sanding residue for a professional finish every time. These will not dry out or leave harmful residue. They are also anti-static, high tack, and very durable. Size: 18 x 36".

Item: AZ015122 18" x 36" Tack Cloth
Pack: 24 each Case Weight: 1 lbs.
UPC: 064784212721

Painters Mitt

The Painter's Mitt makes painting hard to reach areas and irregular surfaces quick and easy. There are certain areas and intricate surfaces where paint brushes and rollers just won't work. Using the paint mitt will speed the job up. Paint railings, staircase spindles, pipes and trim with ease. Use it in the house to dust and shine furniture. The three layer construction provides comfort, protection and flexibility for paint and cleaning jobs. The paint applicator glove fits both right and left hands. To use, first clean the surface you will be painting with a wiper or tack cloth to remove any dust or debris. Dip the painting mitt into the paint and apply to the surface. When you're done, rinse the mitt thoroughly and let dry. Make sure to store in a place the mitt won't get dirty, such as a plastic bag. Made with a woven microfiber material that minimizes shedding. For use with most types of paints and stains not oil based. One size fits most.

Item: MP10901 Painters Mitt with Thumb.
Pack: 12 each Case Weight: 6.99 lbs.
UPC: 047034109019

Paint Strainer

The Cone Paint Strainers are ideal for removing unwanted dust and other impurities from small quantities of paint. Now made with synthetic mesh instead of cotton, this means more accurate pore sizes, better filtration and purification of paint, and faster straining. This medium mesh fits quart/gallon size with a strong, durable cone shape construction. Medium mesh strainers work on latex or oil based paints. Packed 4 cones per pack.

Item: MP11101 1 Gallon Cone Strainers, 4 Pack.
Pack: 25 each Case Weight: 1.58 lbs.
UPC: 047034111012

Stripe Water Base Inverted Tip Marker Paint

The Inverted Tip Marker is a heavy-duty industrial paint with a water base. A fast-drying marking paint (one-hour dry time) designed to be sprayed in an inverted position. Environmentally safe and lead free. Produces vivid marks, does not clog, and is safe for grass. The solvent base formulation works well in low temperatures. Use for marking construction and excavation sites, underground utility lines, and traffic safety. Meets APWA color standards and is VOC compliant. May be sprayed by hand. It comes in assortment of colors.

Item: PB20-668 17 oz. Fluorescent Green.
Pack: 12 each Case Weight: 20 lbs.
UPC: 043281001977

Item: PB20-679 17 oz. Fluorescent Hot Pink.
Pack: 12 each Case Weight: 20 lbs.
UPC: 043281002028

9" x 11" All Purpose Sanding Sheets

The Aluminum Oxide Sanding Sheets use sharp, long-lasting sheets for fast cutting and smooth finishing on metal, wood, plastic, glass and fiberglass surfaces. Bonded to our durable C-wt paper, each piece of paper has superior workability and longevity. Aluminum Oxide is best for paint removal, rust removal, and hand or power sanding. These sheets come 5 each per pack and different levels of grits.
